

LED Underwater Light 100 Watt

Main Specifications:

Wick type	American Puri fifth generation COB lamp beads
Luminous way	Condenser 75-85 °; astigmatism $\geq 150^\circ$
Consumption	100 watt
Input voltage	AC100V-240V 50-60HZ
Output voltage	24V 5A
Nominal voltage	33V
Nominal curren	3.0A
Intensity	10.000lm
Color temperature	White 6000-6500K
Waterproof level	0-300 m (out of range can be customized)
Shell material	Aluminum alloy
Connector	MCBH2M
Sizes	DIA70*145MM
Operating environmen	Operating temperature -10 °C ~ +50 °C
