

## LED Underwater Light 50 Watt

## Main Specifications:

Wick type	American Puri fifth generation COB lamp beads
Luminous way	Condenser 75-85 °; astigmatism $\geq 150^\circ$
Consumption	50 watt
Input voltage	AC100V-240V 50-60HZ
Output voltage	24V 3A
Nominal voltage	30V
Nominal curren	1.7A
Intensity	6000-7000lm
Color temperature	White 6000-6500K
Waterproof level	0-300 m (out of range can be customized)
Shell material	Hard anodised 6061-T6 Aluminum
Connector	MCBH2M
Sizes	DIA70*145MM (excluding connector )
Operating environmen	Operating temperature -10 °C ~ +50 °C
